THIS BOOK BELONGS TO

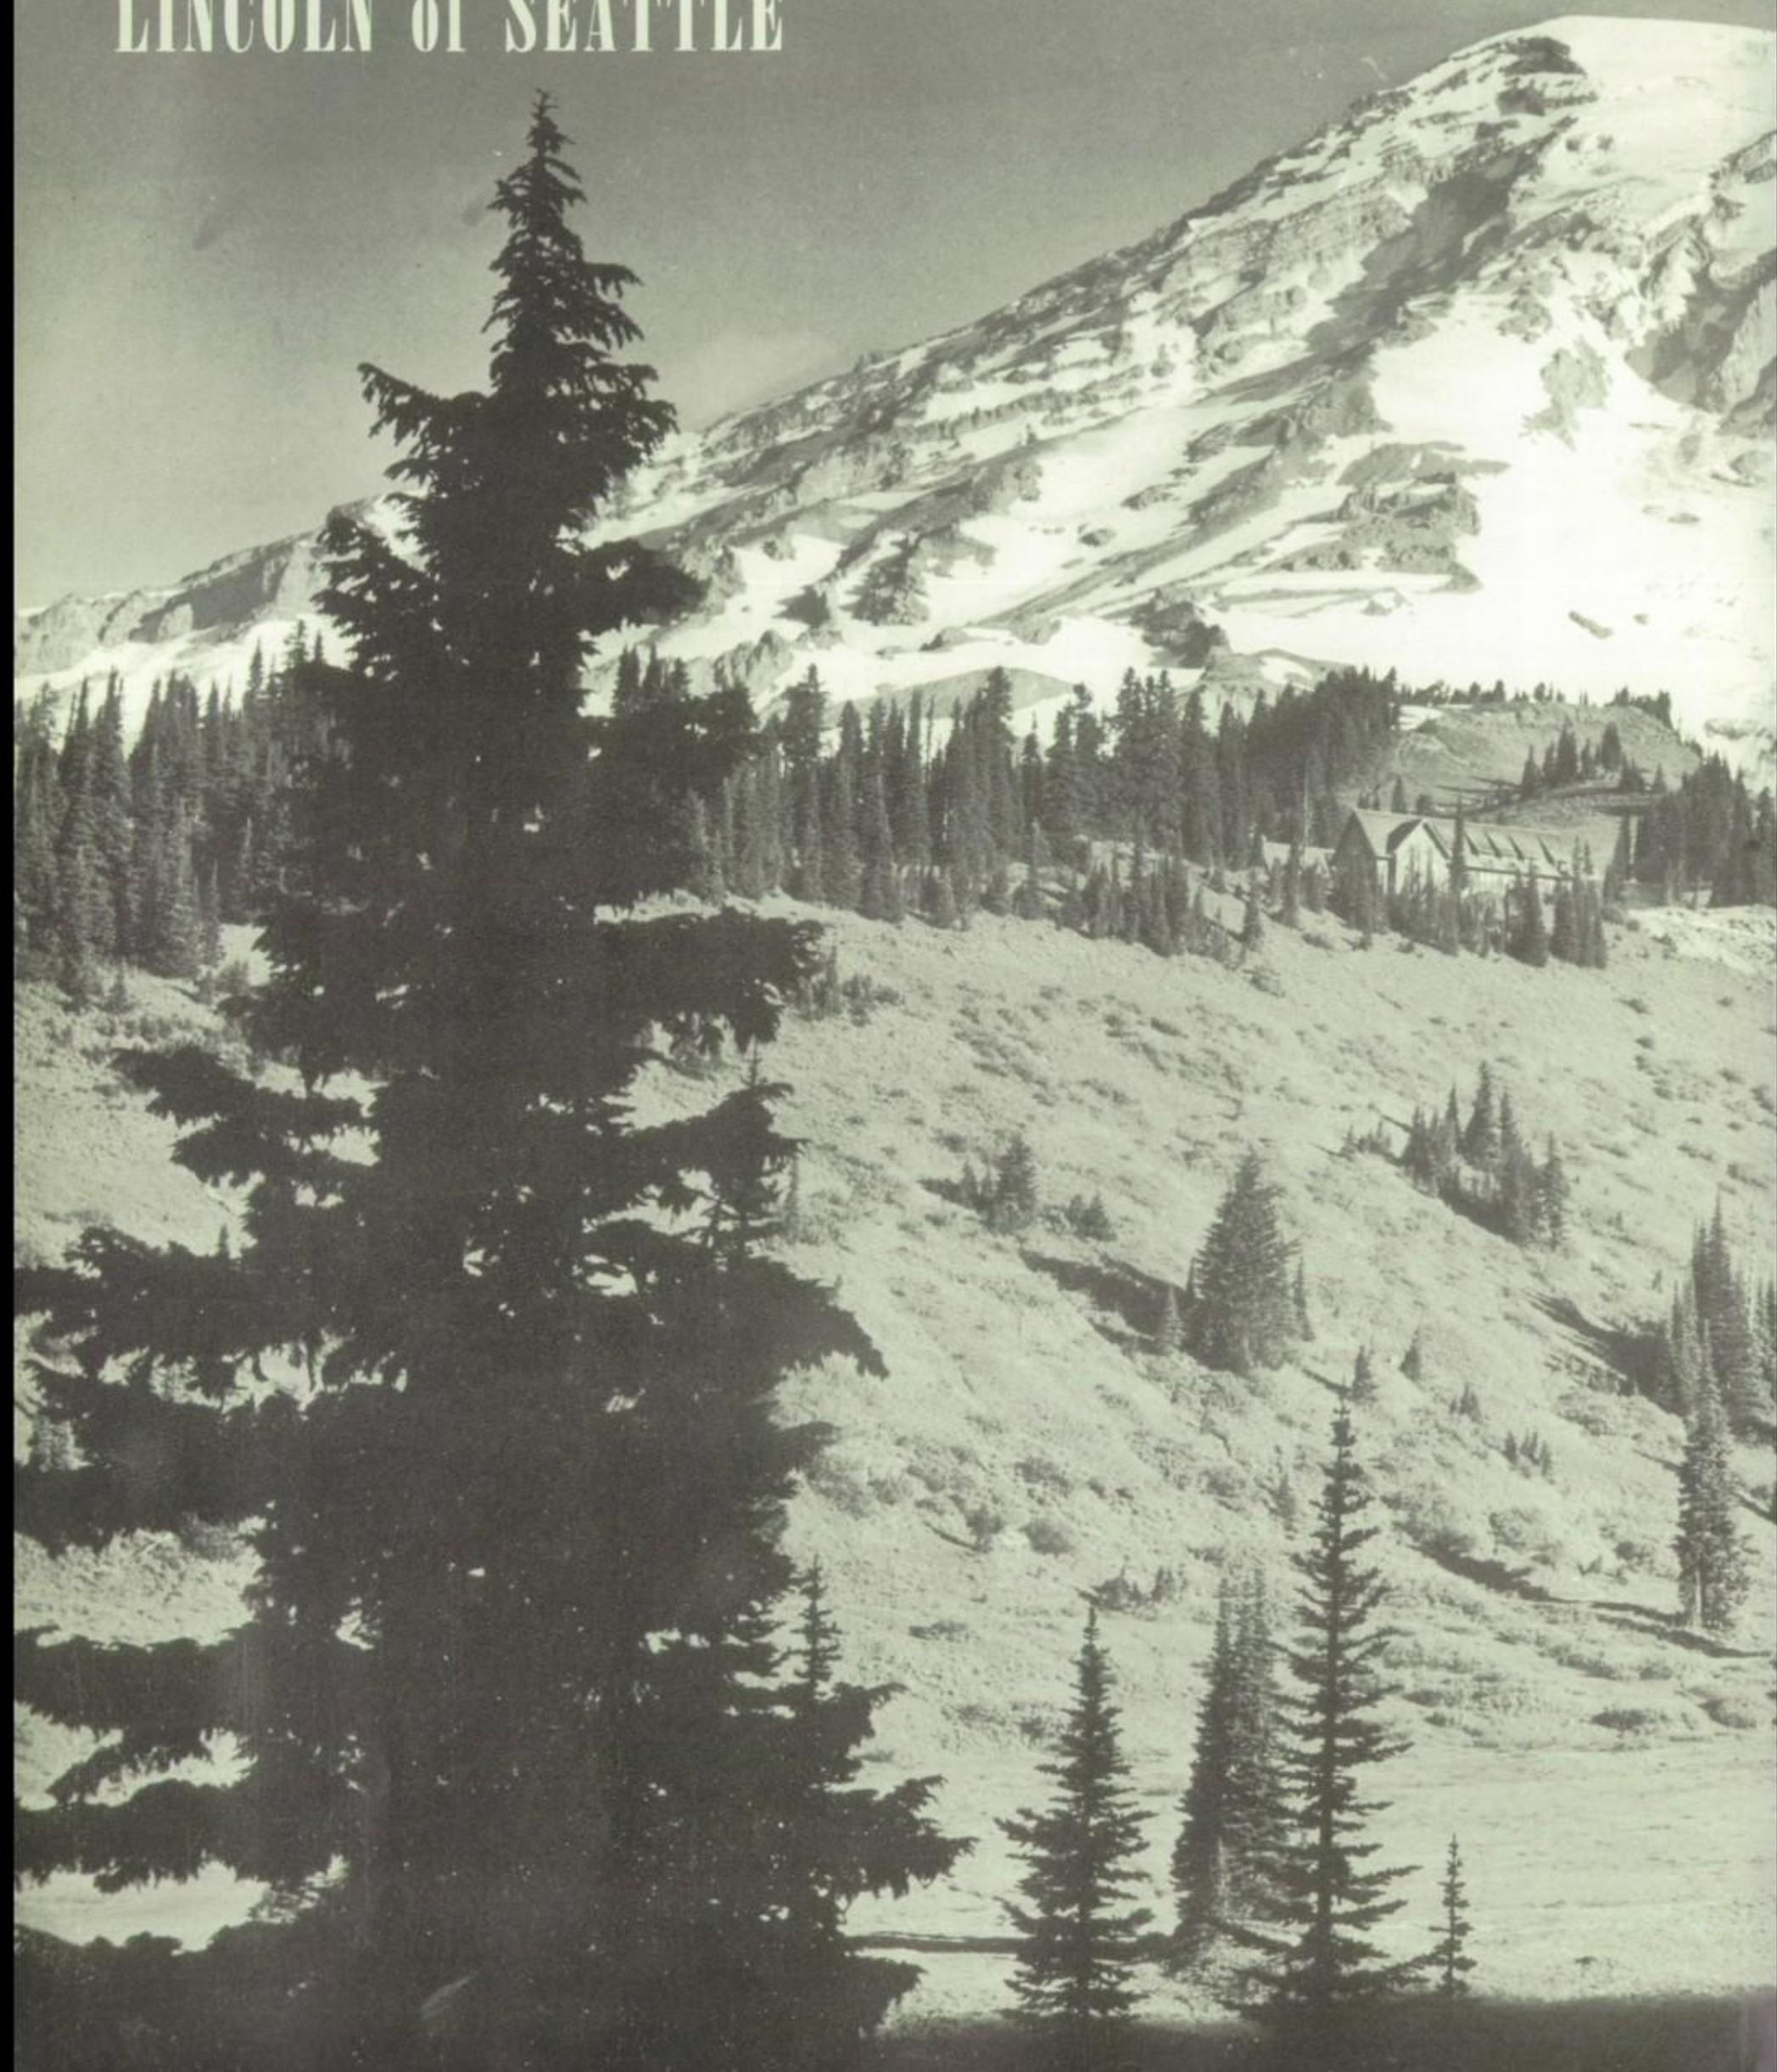

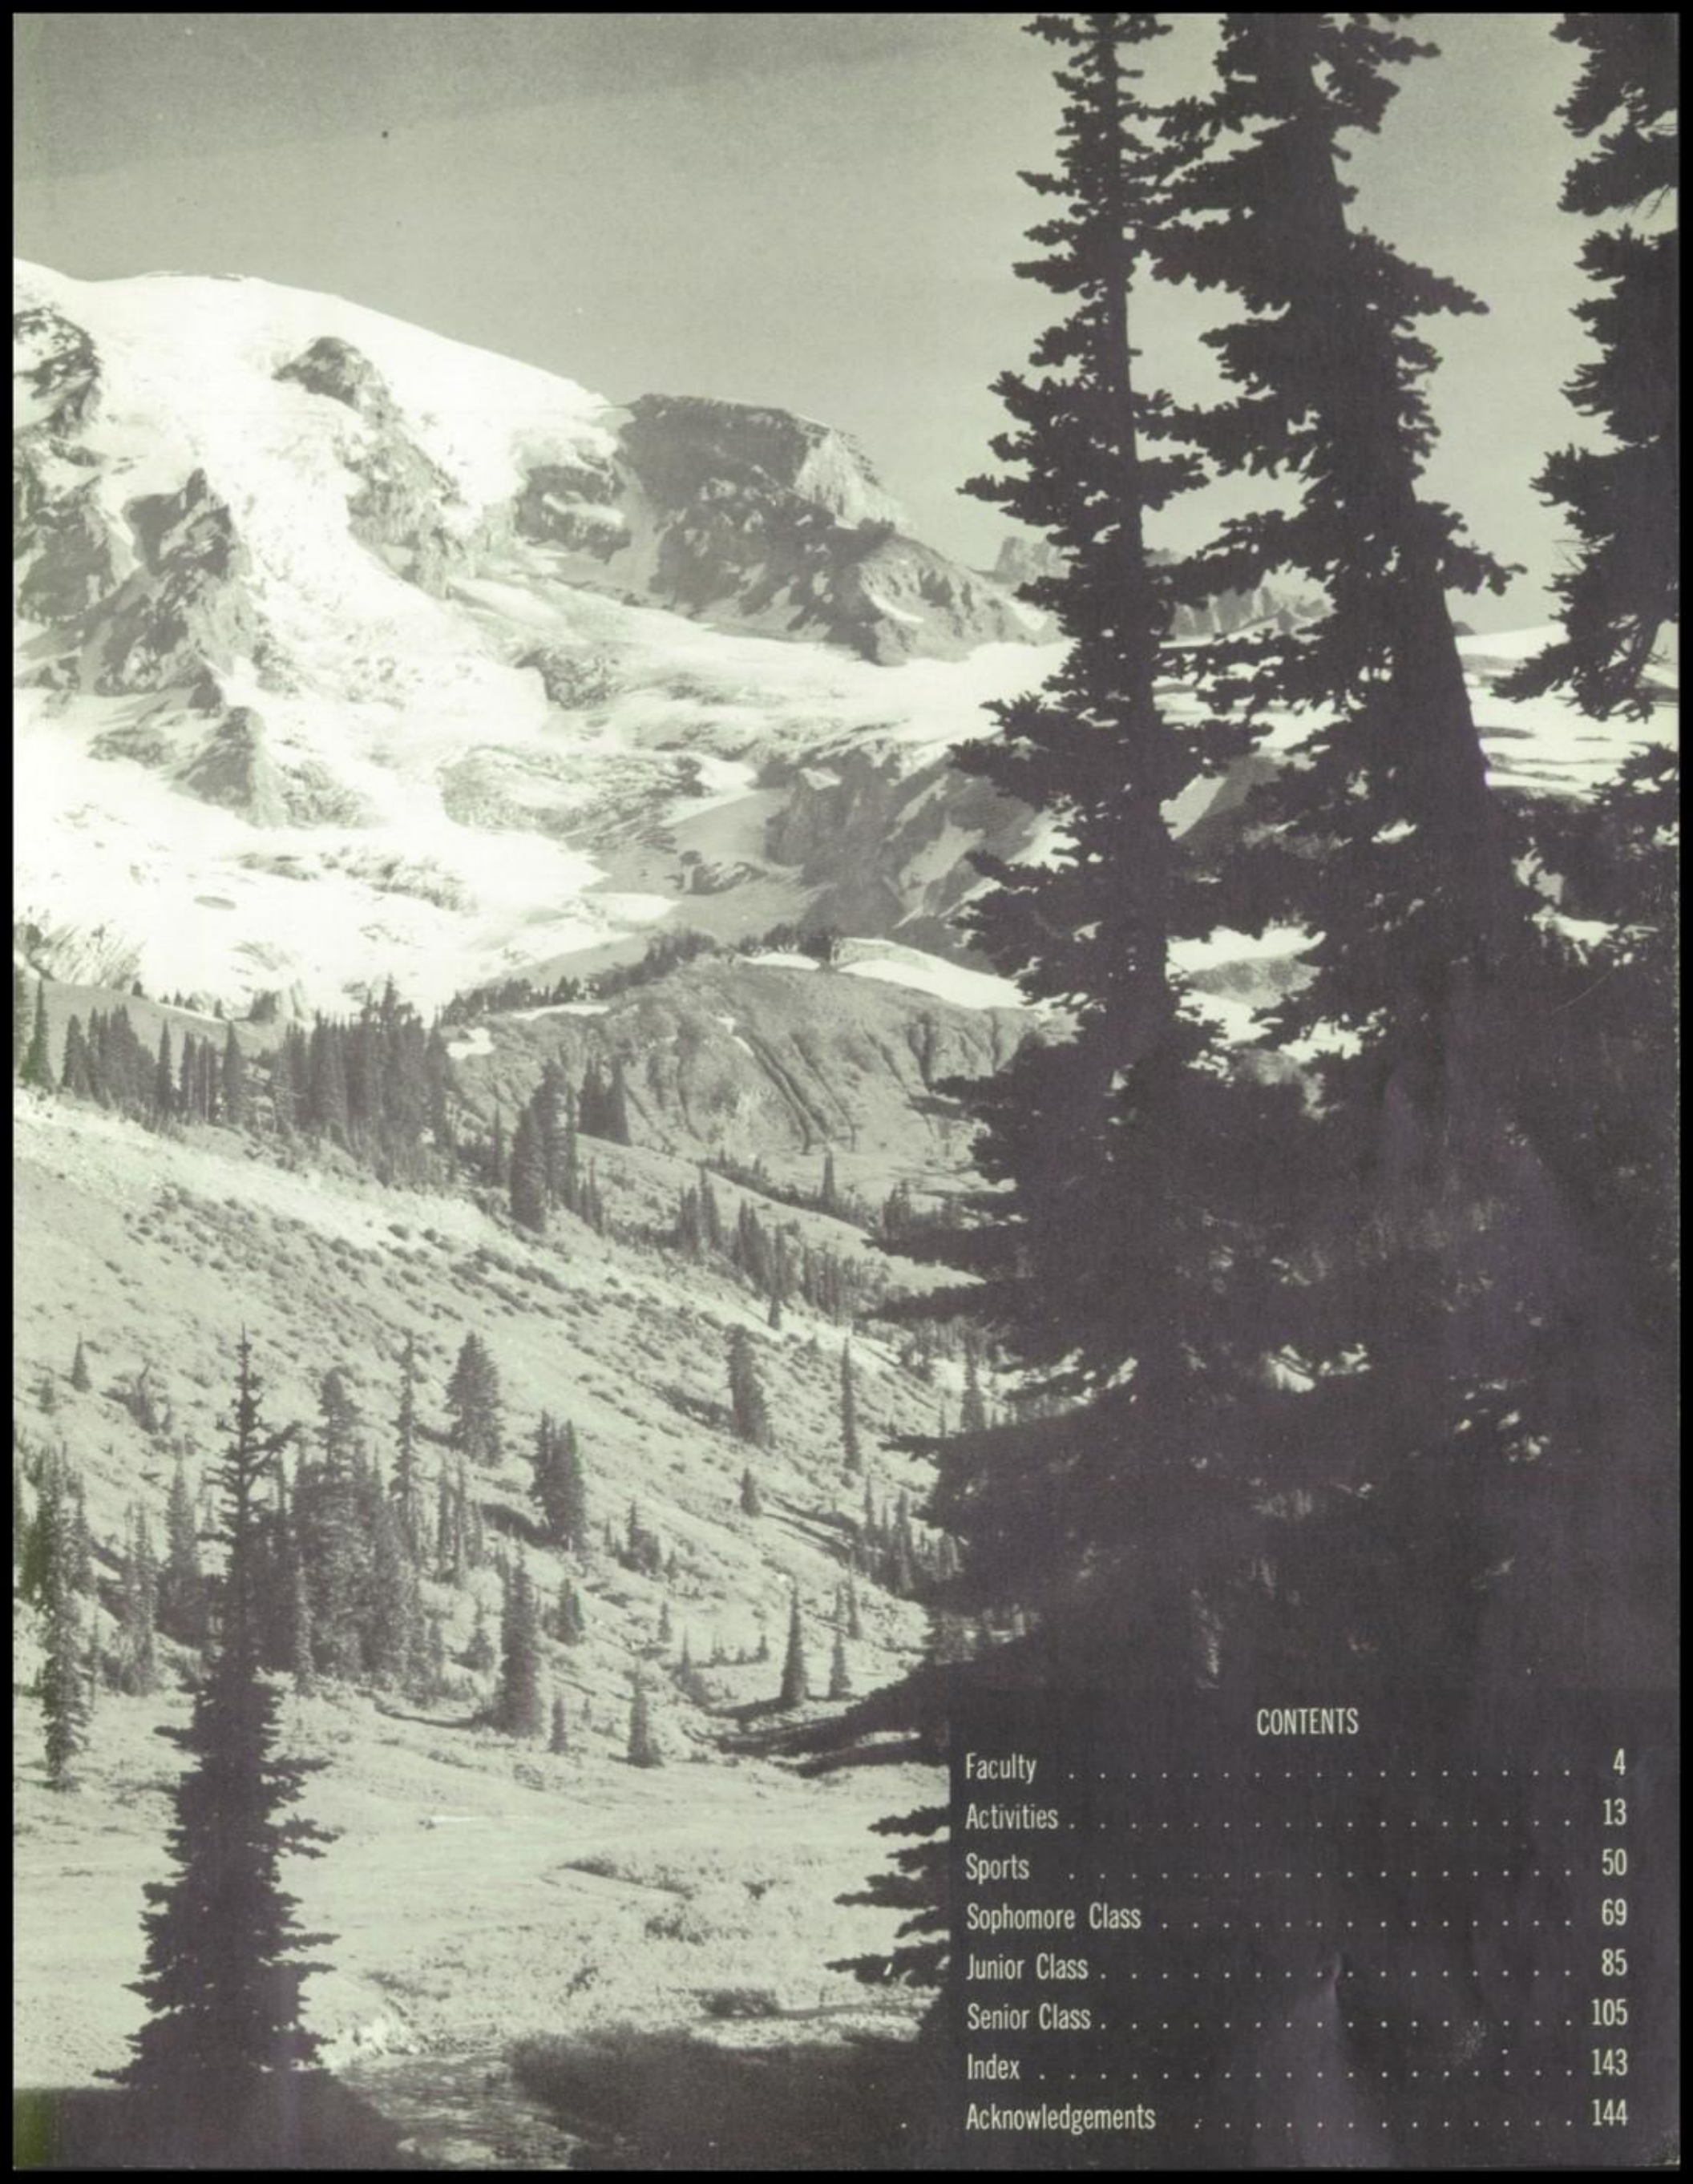

Fragrant woods and laughing streams
Here among our hills;
In verdant vales and valleys bloom
Flaming flowers, run rippling rills.
There the mighty mountain stands,
Its outlines sharp and clear.
Surely near to God and peace
We may wander here!

Much to the profit of the organization, Big L once again held their annual Easter candy bunny sale just before the joint Easter-spring vacation of 1959.

BIG L

Bg "L" is an athletic club for girls, meeting twice a month to plan special activities and the after-school sports program. The first activity of the year was the Initiation Breakfast for the new members. This was followed by various money-making sales during the school year: The fudge sale, the chocolate Easter bunny sale and the sale of song books. We also had two special events, the Mother-Daughter tea at Christmas and the Father-Daughter banquet held in the spring.

DULINEX

Mike Birdsall

Lincoln's exchange with Germany became a reality this year with the arrival of our first exchange student, Jorg Schatz. Mike Birdsall was Lincoln's representative in Germany.

The main activities of Dulinex for the year were money-making. The annual Spaghetti Feast was held in January. The sale of shares was especially successful. Those roll rooms which had 100 per cent on sales were rewarded with a cake on Jorg Schatz Day. Also held on this celebration day was a cake-walk in the girls' gym, and an assembly. Other projects were a theater party and a dance.

ROLL COUNCIL

Roll Council, under the leadership of Walt Jule, Student Council Vice-President, performed many helpful services to the school.

Roll Council was used by several organizations in the handling of school drives, one of which was the sale of activity cards. Roll Competition was formed to stimulate rolls to bigger and better activity.

The first Roll Council Handbook, which served as a source of reference for new Council members, was put out this year.

Shirley Osborn and Julie Hill, Student Council secretaries, also acted as secretaries for Roll Council.

Agenda Committee, headed by Bill Beck in the fall semester and Jerry Tuttle in the spring semester, prepared an agenda for each Roll Council meeting.

Walt Jule reads the agenda to roll council members.

Mrs. Peacock's roll room sign won recognition in inter-roll competition.

CITIZENSHIP BOARD

The Citizenship Board is a preventative organization, rather than a corrective one. It is primarily concerned with orienting the incoming sophomores to the principals of good citizenship at Lincoln High. The Board supervises the spring assemblies put on at the junior high schools. It is available to help out on all school campaigns. The chairman is Janet Talcott and the vice-chairman is Jay Iman. The other four members are: Don Price, Boys' Club Rep.; Eva Carls, Girls' Club Rep.; Valdean Sears, Triple L Rep., and Kathy Ruthford, Sophomore Rep. Mr. Ira Miller has been the advisor of the Board since it began in 1956. The meetings are held whenever necessary during third period in the Conference Room.

Honor Society is the only organization in Lincoln High School which is based on students' academic standings. A sophomore Honor Society student receives a pin with one bar on it, and juniors receive a pin with two bars. Senior members wear the torch pin, which is the emblem of Honor Society. All these are temporary, having to be returned at the end of the year, but graduating honor students receive a permanent Torch pin.

This year a special certificate of Honor Society was introduced. All members of the Lincoln Honor Society were awarded with these.

In the Honor Society assembly, held in the spring, various awards were presented to students who have won them.

1958 VARSITY FOOTBALL STANDINGS

By finishing the season with four wins, two ties and two losses, the 1958 gridgers brought Lincoln High from the cellar to an upper division berth, their first since 1951. Although finishing fourth in the toughest City League Competition in years the Lynx proved the keenness of competition by coming within one play of beating the city champs, Roosevelt.

Lincoln, coached by Joe Mahoski, started the season with successive wins over Cleveland and West Seattle. The following game resulted in a scoreless tie with Queen Anne. The next two games were the downfall of the Lynx

Roosevelt	7	0	1	15
Garfield	7	1	0	14
Ballard	6	2	0	12
Lincoln	4	2	2	10
Franklin	4	4	0	8
Queen Anne	2	4	2	6
Cleveland	2	6	0	4
West Seattle	1	6	1	3
Sealth	0	8	0	0

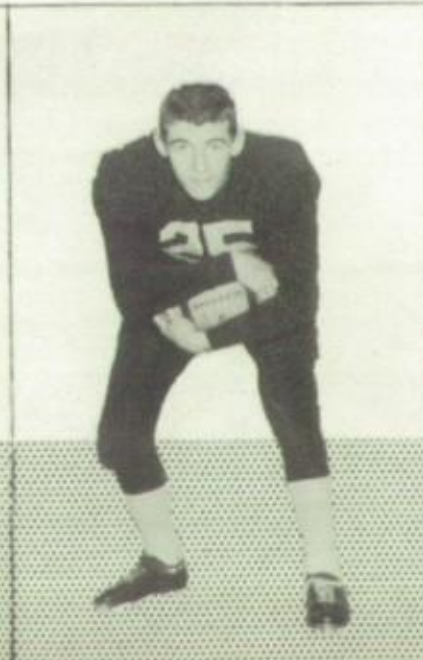

as they lost to league powerhouses, Ballard and Garfield. After this midseason slump, Lincoln came on strong, beating Franklin in the final minutes of a hard-fought Tri-F Day battle, and then trouncing the league's new member, Sealth. The final game was the heartbreaker with Roosevelt.

The pattern of winning ways set by this year's squad can be credited to tremendous team spirit, the will to win demonstrated by the entire team, and the fine coaching staff. Chances of finishing higher up the ladder in 1959 are bolstered by the return of 11 lettermen.

GAME SUMMARIES

Lincoln 18, Cleveland 7: The underrated Lynx opened some eyes by trouncing Cleveland in the season opener. The story is told by the statistics—449 yards total for Lincoln to 77 for Cleveland. The Eagles capitalized on a last-minute fumble for their only tally.

Lincoln 22, West Seattle 14: The Lynx scores were all set up by fleet-footed Jim Reed. John Parks dashed for two scores and passed to Chuck Holtz for the other. A bad West Seattle pass from center gave a safety good for two charity points.

Lincoln 0, Queen Anne 0: Neither team could reach pay dirt in muddy Memorial Stadium. The Abes came the closest, being stopped only by a fumble on the five-yard line.

Ballard 9, Lincoln 0: The scrappy Lynx fought like their namesakes while being defeated by the massive Beavers. Ballard's scores came on a field goal in the second quarter and a touchdown drive in the final period.

Garfield 45, Lincoln 0: Led by Charlie Mitchell, Garfield could do no wrong. The injury-plagued Abes could not

muster enough strength to stop the South End powerhouse.

Lincoln 12, Franklin 0: The two squads fought a scoreless deadlock until the final two minutes when Lincoln suddenly came to life. They gained possession on the Franklin 44 and powered their way to the end zone on straight line plunges. An intercepted pass by Ray Seaborg put the game on ice a few minutes later.

Lincoln 34, Sealth 0: Lincoln wrote a dismal ending to Sealth's first season of varsity competition. Jim Reed again starred, earning a fantastic 16.1 game rushing average.

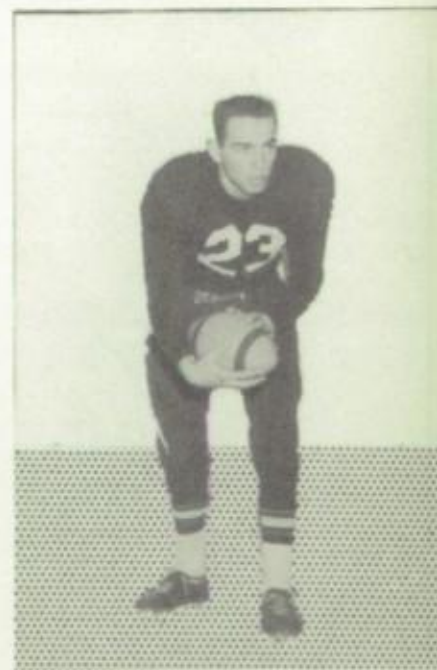

Lincoln 7, Roosevelt 7: In another mud bath, the mighty Lynx came within one play of upsetting Roosevelt's city championship apple cart. After trailing 7-0 most of the game, the Teddies were backed up to their own twelve, and their chances for an undefeated season were dismal. Then came a storybook pass play which was good for 88 yards and a TD. Disregarding the one play, Roosevelt gained only 99 yards total against the stalwart Lincoln defense.

According to the pre-season forecasts, Lincoln High School's domination of City League basketball was ended, but Coach Dalthorp and his players had different ideas. This year's Lynx continued the record-breaking victory string to 38 straight games before their first and only league setback handed to them by Ballard in the second round. In their first encounter Lincoln edged Ballard 52-51. In another crucial early-season contest the Lynx battled from an eight-point deficit in the last minutes to a ten-point overtime victory against the Roosevelt Teds.

The victory trail to the city championship was marked by similar close encounters. Byron Vadset's jump shot with four seconds remaining sent

Lincoln to a 40-39 win over Queen Anne the first time the teams met. The final game of the season with Garfield was also a thriller as the Abes came out on top of a see-saw battle.

In the state tournament the Lynx luck ran out as they lost their first game in overtime to John Rogers of Spokane and were beaten by Renton by one basket.

With starters By Vadset and Ken Davis returning along with a first-place second team, Lynx fans have reason to be optimistic about their chances in the 1960 campaign.

"What should we do now, coach?"

"We did it!"

JUNIORS

The class of 1960 reached the halfway mark this year with a burst of energy. The Senior banquet was beautifully decorated and very enjoyable, thanks to the efforts of the Junior class. The Red Cross drive sponsored by the Jr.'s, was a big success. Through representatives in various organizations, they have shown themselves capable of carrying the responsibilities of the coming years.

HALL OF FAME

SENIOR CLASS OFFICERS

As perky young Sophomores we sought recognition,
To make our class famous, our greatest ambition;
We elected John Parks as our Class President
Because we felt sure he was most competent.
At the Junior Day breakfast we served and decorated,
They said we did fine, so we were elated.
On the Sophomore talent show we worried a bit
But as first attempts go, it was quite a big hit.

We then became Juniors, the finest alive,
We all worked like mad on the big Red Cross drive.
John Parks was so good that we chose him once more
To be President, for he sure knew the score.
Ushering at Commencement we thought pretty neat,
In spite of the fact it was hard on the feet.
Our biggest event was held ninth of May,
We finally called it "Caribbean Holiday."
The "Carnival in Cuba" assembly was great,
At the "Bahama Breakfast" we all ate and ate;
At our dance even chaperones looked plenty live,
We labeled this wingding "Jamaca Jive."

Then we were Big Seniors—the years simply flew—
Where had the time gone? Not one of us knew.
Gary Gunstrom we chose for our President this year,
He was a hard worker, it was soon very clear.
What a thrill on the day that our Senior pins came,
We felt that they stood for our Class's high aim;
Our big fall event, which we called Campus Craze,
Kept dignified Seniors rushing 'round in a daze—
The assemblies, the banquet, then the wonderful play
Called "Goodbye My Fancy," climaxed the day.
Such sweet baby pictures the hall decorated,
The pictures and Seniors seemed hardly related;

Ship Ahoy for the cruise, it was marvelous fun—
We were worrying then, for our year was 'most done.
May twenty-ninth, at last it was here,
The grand Senior Prom we awaited all year;
In their tuxes the shyest of boys became amorous,
And formals made even the plain girls look glamorous.
Now our reign is over, our crowns we've outgrown,
We salute the new Seniors, relinquish our throne;
We've learned a great deal, and good will distributed,
And hope something of value we have contributed;
We know when we've gone to fulfill our life's missions
We'll not forget Lincoln and all its traditions.
